

ANTARCTIC FOODS PROUDLY PRESENTS

THE VEGETABLES OF AQUITAINE

GROWN IN THE SOUTH WEST OF FRANCE - PRESERVED BY ANTARCTIC TEMPERATURES

❄ ICE TO MEET YOU

Antarctic Foods is a family owned company with its roots in Belgium, located in Ychoux, Aquitaine. With its mild climate and unlimited irrigation, the Bordeaux region boasts both large-scale optimal agriculture and small-scale, sophisticated market gardens.

We produce frozen vegetables as a natural ingredient for food artisans and industry.

❄ WE DELIVER FRESH SEASONAL VEGETABLES, NO MATTER THE SEASON

Pure vegetables,
nothing else

carrots, baby carrots,
yellow carrots, green
beans, wax beans,
romano beans, Parisian
potatoes, garden peas,
sweetcorn, salsify

Bio? Naturally

carrots, potatoes, green
beans, sweetcorn

An ideal fit for
nutrient rich baby food

carrots, garden peas,
green beans, sweetcorn

❄ WE GROW QUALITY
